Dear stallion owners

Attached is the 2017 Stallion Nomination Form for the Barrel Breeders Incentive. If your stallion is not currently enrolled in our program please consider becoming part of our very successful incentive. The sooner you nominate the sooner your stallion will be part of our advertising.

Here's what we've done so far: Complete results from the Glacier Chaser Classic, Barrel of Gold and Juli Jo Kelly's saddle series have been sent to EquiStat. Also the results were published in the Barrel Racing Report and GCC BBI results were also published in Barrel Horse News!

In November, January and February we will have full-page ads in the Barrel Racing Report, which is a weekly e-newspaper delivered FREE via email every Tuesday. The Barrel Racing Report includes all the major barrel racing results, sales results, standings, breeding notes, upcoming events, and industry information in a short, easy to read newspaper style format. Their rodeo results include horses' registered names as do their open jackpot results. We will have half-page ads in December, March, April and May, as well as the week before each of our 2017 events.

We are planning to have ads in the Wrangler Stallion Issue and the Cowboy's Digest issue that is handed out at the Montana Circuit Finals in January. Please let me know if you have any publications where you think we should consider advertising.

It pays to own or ride a BBI horse—\$105,000 plus awards paid out in first eighteen years to Barrel Racers and Stallion Owners.

Look forward to hearing from you!

BARREL BREEDERS INCENTIVE LLC (aka BBI) is now in its 19th year. It was formed to help promote our stallions as well as the sport of barrel racing. We are stallion owners who want to give the customer and barrel racing enthusiast an added incentive to breed to our stallions and purchase horses from us.

BBI added money, is generated from the annual stallion nomination fees. It is then added to selected barrel racing events in Montana each year as a sidepot to these events. BBI is set apart from other barrel breeders' programs as we promote at Open Barrel races as well as at Futurity & Derby events. Only 4 through 7 year old horses sired by currently nominated BBI stallions or the nominated stallion himself, if he is of this age, are eligible to win this added money—80% of each BBI event pot. The other 20% is paid out to the stallion owners.

BBI is an entity unto itself and is in no way financially or otherwise connected to any other barrel racing organization. We are only an added sidepot at annually named barrel events each year.

## **WHY NOMINATE YOUR STALLION**

**MONEY TALKS.** In addition to our press releases, ads and online website, we have paid out over \$105,000 plus awards in the first fifteen years. We give the barrel racer who is riding a BBI-eligible horse at annually named events, a chance to win a lot of money at no extra cost to them except for a \$50 per event registration fee for BBI contestants (\$30 is jackpotted back). Barrel racers not riding BBI horses are not eligible to win any of this sidepot money!

Barrel racing is huge and getting bigger each year. Marketing is the key for your stallion. With increased demand, most of our BBI stallion owners have annual increased breedings to their BBI nominated stallion(s), and increased horse sales with increased selling prices. BBI-eligible horses are recognized and are in big demand!

## **WHAT YOU GET FOR YOUR MONEY**

**EXPOSURE AND ADVERTISING.** Let us do some advertising for you! Our BBI advertising alone is an added incentive for you as stallion owners. Advertising and

Press Releases are mailed out regularly all year long to many equine publications geared toward competitive barrel racers. We also advertise the current nominated stallions in many rodeo and BBI barrel event programs and on posters at many barrel racing events. We publish and mail out BBI Stallion catalogs/packets FREE to anyone requesting more BBI information or entry forms.
