EXCITING NEWS! WE HAVE REDUCED OUR FEES.

Dear stallion owners

Attached is the 2022 Stallion Nomination Form for the Barrel Breeders Incentive. If your stallion is not currently enrolled in our program please consider becoming part of our very successful incentive. The sooner you nominate the sooner your stallion will be part of our advertising.

Complete results from the 2022 Hot Chick Challenge, Classic at Cottonwood, Hi-Line Hustle, Glacier Chaser Classic, Revolution Run, and Barrel of Gold have been sent to EquiStat. Also the results were published in the Barrel Racing Report!

We will have monthly full-page ads in the Barrel Racing Report, which is a weekly e-newspaper delivered FREE via email every Tuesday. The Barrel Racing Report includes all the major barrel racing results, sales results, standings, breeding notes, upcoming events, and industry information in a short, easy to read newspaper style format. Their rodeo results include horses' registered names as do their open jackpot results.

It pays to own or ride a BBI horse—\$176,072 plus awards paid out in first 22 years to Barrel Racers and Stallion Owners. In 2021 we paid out \$20,344 to our contestants and stallion owners. We had 359 entries over our 7 events.

Look forward to hearing from you!

Barrel Breeders Incentive LLC (aka BBI) is now in its 24th year. It was formed to help promote our stallions as well as the sport of barrel racing. We are stallion owners who want to give the customer and barrel racing enthusiast an added incentive to breed to our stallions and purchase horses from us.

BBI added money, is generated from the annual stallion nomination fees. It is then added to selected barrel racing events in Montana each year as a sidepot to these events. BBI is set apart from other barrel breeders' programs as we promote at Open Barrel races as well as at Futurity & Derby events. Four through 7 year old horses sired by currently nominated BBI stallions or the nominated stallion himself, if he is of this age, are eligible to win futurity/derby added money—80% of each BBI event pot. The other 20% is paid out to the stallion owners. Horses of any age by enrolled or formerly enrolled stallions are eligible for our Open 4D sidepots.

BBI is an entity unto itself and is in no way financially or otherwise connected to any other barrel racing organization. We are only an added sidepot at annually named barrel events each year.

WHY NOMINATE YOUR STALLION

Money Talks. In addition to our press releases, ads and online website, we have paid out over \$176,072+ plus awards in the first twenty-three years. We give the barrel racer who is riding a BBI-eligible horse at annually named events, a chance to win a lot of money at no extra cost to them except for a \$50 per event registration fee for BBI contestants (\$35.00 is jackpotted back). Barrel racers not riding BBI horses are not eligible to win any of this sidepot money!

Barrel racing is huge and getting bigger each year. Marketing is the key for your stallion. With increased demand, most of our BBI stallion owners have annual increased breedings to their BBI nominated stallion(s), and increased horse sales with increased selling prices. BBI-eligible horses are recognized and are in big demand!

WHAT YOU GET FOR YOUR MONEY

Exposure and Advertising. Let us do some advertising for you! Our BBI advertising alone is an added incentive for you as stallion owners. Advertising and Press Releases are mailed out regularly all year long to many equine publications geared toward competitive barrel racers. We also advertise the current nominated stallions in many rodeo and BBI barrel event programs and on posters at many barrel racing events. We publish and mail out BBI Stallion catalogs/packets FREE to anyone requesting more BBI information or entry forms.
